

# Thomas Grunfeld

*“Using the collage principle, I designed new species, which makes it possible, for instance, to unify enemies in nature in one body.”*

Thomas is a sculptor who uses ‘taxidermy’ to create ‘hybrid’ animals

**Taxidermy** is the preserving of an animal's body via mounting (over an armature) or stuffing, for the purpose of display or study.

**Hybrid** is combining two different elements.

open the first double page in your sketchbook

**TASK 1:** Cut and stick the images and information about Thomas Grunfeld and answer the following questions in full sentences  
What do you think of the animals that Grunfeld has created?  
Why do you think he has used animals that are enemies?

**TASK 2:** Cut out some of the animals below and try to make 2 or more new hybrid animals

**TASK 3:** Using pencil draw your ‘hybrid’ creatures on the next page in your sketchbook
